

GreenWise Consulting, LLC

Capability Statement

GreenWise Consulting is an **SBA certified 8(a) Economically Disadvantaged Woman Owned Small Business** specializing in environmental consulting for the Federal government, Department of Defense and the private sector. The GreenWise Consulting Team brings multidisciplinary and institutional expertise specifically to our US Navy clients with the breadth and full span of our projects experience. Our business model allows us to deliver high quality and cost-effective environmental consulting services. Our organizational structure combines a core staff with a network of associates and teaming partners operating throughout the NAVFAC Washington region and Europe. We are subject matter experts that focus on sustainable solutions and excel at delivering high quality technical reports, on time and within scope.
